

THE M SERIES

M3i TOTAL BODY TRAINER

DESIGNED WITH THE SAME SMOOTH MAGNETIC RESISTANCE SYSTEM AS THE M3i INDOOR CYCLE

The M3i Total Body Trainer is perfect for those seeking to obtain a concurrent, full body workout, work the upper or lower body independently, or perform single limb rehabilitative movements.

The M3i Total Body Trainer is used in many fitness and training environments including:

- Military
- Professional teams worldwide
- University athletics worldwide
- Medical rehab
- Health clubs
- Group exercise classes
